Owner and Admin Action Guide

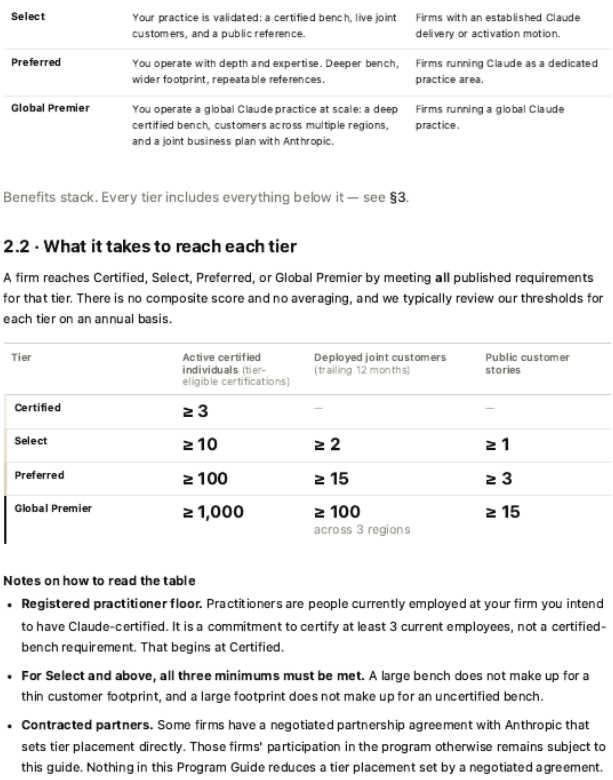

What the firm must do as a Certified partner · How to do it · Which portal document has the full detail

Your job in one paragraph
Keep us in good standing, move us from Certified to **Select**, and make sure the team does the few things that earn credit: **certify people, register delivery work, and publish one customer story**. Everything else in the portal is either a how-to for those three things or a benefit that unlocks later.

1. The rules that matter (Program Guide, Version 2, effective 5 Oct 2026)

Tier	Certified individuals	Deployed joint customers	Public customer stories
Certified (us)	3 or more	–	–
Select (next)	10 or more	2 or more	1 or more
Preferred	100 or more	15 or more	3 or more
Global Premier	1,000 or more	100 or more, across 3 regions	15 or more

- **All requirements must be met together**, measured over the last 365 days.
- **Only these exams count:** Claude Certified Developer – Foundations, Architect – Foundations, Architect – Professional. The **Associate** exam does **not** count. One person counts once even with several certifications.
- **Deployed joint customer:** a unique customer with a live Claude production deployment where we are the registered delivery partner. Pilots and proofs of concept do not count. We must give Anthropic the customer's **Organization ID** (or AWS / Google Cloud / Azure account ID).
- **Public customer story:** live on a public URL (no NDA or login), names Claude and a third-party client, describes a production deployment, shows at least one measurable business result, and the client approved it.
- **Reviews:** Certified and Select are promoted **monthly** (starts November 2026) – meet the requirement by month end and the promotion follows the next month. Preferred and Global Premier are reviewed 1 January and 1 July (from 1 January 2027). Once promoted we keep the tier through at least the next annual review (31 December) plus a 90-day remediation window.
- **Moving up more than one tier** is allowed if we meet the higher tier's requirements.

Select	Your practice is validated: a certified bench, live joint customers, and a public reference.	Firms with an established Claude delivery or activation motion.
Preferred	You operate with depth and expertise. Deeper bench, wider footprint, repeatable references.	Firms running Claude as a dedicated practice area.
Global Premier	You operate a global Claude practice at scale: a deep certified bench, customers across multiple regions, and a joint business plan with Anthropic.	Firms running a global Claude practice.

Benefits stack. Every tier includes everything below it — see §3.

2.2 · What it takes to reach each tier

A firm reaches Certified, Select, Preferred, or Global Premier by meeting **all** published requirements for that tier. There is no composite score and no averaging, and we typically review our thresholds for each tier on an annual basis.

Tier	Active certified **individuals** (tier-eligible certifications)	Deployed joint customers (trailing 12 months)	Public customer stories
Certified	≥ 3	–	–
Select	≥ 10	≥ 2	≥ 1
Preferred	≥ 100	≥ 15	≥ 3
Global Premier	≥ 1,000	≥ 100 across 3 regions	≥ 15

Notes on how to read the table

- **Registered practitioner floor.** Practitioners are people currently employed at your firm you intend to have Claude-certified. It is a commitment to certify at least 3 current employees, not a certified-bench requirement. That begins at Certified.
- **For Select and above, all three minimums must be met.** A large bench does not make up for a thin customer footprint, and a large footprint does not make up for an uncertified bench.
- **Contracted partners.** Some firms have a negotiated partnership agreement with Anthropic that sets tier placement directly. Those firms' participation in the program otherwise remains subject to this guide. Nothing in this Program Guide reduces a tier placement set by a negotiated agreement.

Program Guide p.4 – the tier requirements table. Source: portal document “CPN Program Guide”.

2. Our to-do list

#	Action	Owner	When	How / where
1	**Accept the Claude Partner Network Agreement**	Owner	Now (overdue since 20 Jul 2026)	Partner portal > onboarding flow “Accept the Claude Partner Network Agreement”. Agreement text: anthropic.com/legal/cpna
2	Confirm tier shows **Certified** in the Hub; download badge	Admin	This week	partnerhub.anthropic.com. Tier shows within 24 hours of promotion email
3	Certify **6 more people** (4 now, need 10)	Training lead	Book before 31 Dec 2026	Folder 04_Training_and_Exams
4	Register all live Claude engagements	Delivery lead	At scoping, no later than 60 days after work begins	Hub > Services > Submit Project (see Delivery guide)
5	Start one customer story	Owner / Marketing	Now – slowest item	Customer Story Guidebook (portal). Ask the client for written consent; include a hard metric; publish on a public URL
6	Announce Certified status	Marketing	After the badge email	Approved wording below
7	Name one person for PAM AI / Hub questions and pin the contact card	Admin	This week	Contacts and intake deck, p.6
8	Monthly: check the Hub “Current Tier” panel	Owner	Monthly	Hub dashboard refreshes weekly
9	Draft our own SOW template and scoping worksheet	Owner / Sales	Next 30 days	Anthropic does not supply a SOW template

3. What we may say publicly about our tier

Do: use the approved line – **“[Firm] is Certified in the Claude Partner Network.”** Wait for the promotion email first. Post on social media only. Use the badge from the Hub.
Don’t: say “Anthropic-certified” or “certified by Anthropic”; call ourselves Select, Preferred or Global Premier; issue press releases or newswire items; quote tier requirements, incentive amounts or comparisons with other partners; name customers without their consent.

Claude Partner Network — Confidential

Services Track · New tier · Effective October 1, 2026

The Certified Tier

Certified — Services Partner — Claude Partner Network

Certified is the first partner tier in the Claude Partner Network. It recognizes firms whose people have completed Claude training and earned Claude certifications, and it sits between Registered and Select.

01 · Certified at a glance

3 certified individuals	Certifications only	Monthly promotions
At least three people at your firm hold a current tier-eligible Claude certification.	Certified has no deployed joint customer or public customer story requirement.	Meet the requirement by the end of a month and your promotion follows the next month.

Partner status begins at Certified. Registered is the on-ramp to the program. Monthly promotions to Certified and Select begin in November 2026. Once promoted, you keep your tier through at least the next annual review on December 31.

02 · What counts toward Certified

01 **Tier-eligible certifications.** Claude Certified Developer: Foundations, Architect: Foundations, and Architect: Professional.

02 **Counted per person.** A certification counts until it expires, and a person who holds several counts once.

03 **Associate.** Claude Certified Associate: Foundations is a fluency credential and does not count toward tier requirements.

03 · What you unlock at Certified

Your Certified badge. Download the badge files in the Claude Partner Hub and use them per the Partner Co-Marketing Guidelines.

An announcement kit. Approved wording for LinkedIn and your own channels, sent with your promotion email.

Full Partner Hub access. Your access to the Claude Partner Hub moves from limited at Registered to full at Certified.

Your tier in the Partner Hub. Your Certified tier shows in the Claude Partner Hub within 24 hours of your promotion email.

Benefits stack, so you keep everything you had at Registered, including Anthropic Partner Academy access, the monthly CPN Connect broadcast, PAM AI, and Services Registration. The directory listing, sandbox credits, certification exam discounts, and the Customer Story Incentive begin at Select.

04 · Announcing your Certified status

Use the approved line. “[Firm] is Certified in the Claude Partner Network.” Wait for your promotion email before you post.

Keep it accurate. Avoid wording like “Anthropic-certified” or “certified by Anthropic,” and do not describe your firm as a Select, Preferred, or Global Premier partner.

Social posts, not press. No press releases or newswire announcements. Do not mention tier requirements or incentive amounts, compare your firm with other partners, or name a customer without written consent.

05 · Keep building toward Select

Select is where we recognize a validated Claude practice. It takes **10 active certified individuals, 2 deployed joint customers, and 1 public customer story**, and promotions run monthly. Firms that meet a higher tier’s requirements are promoted directly to it.

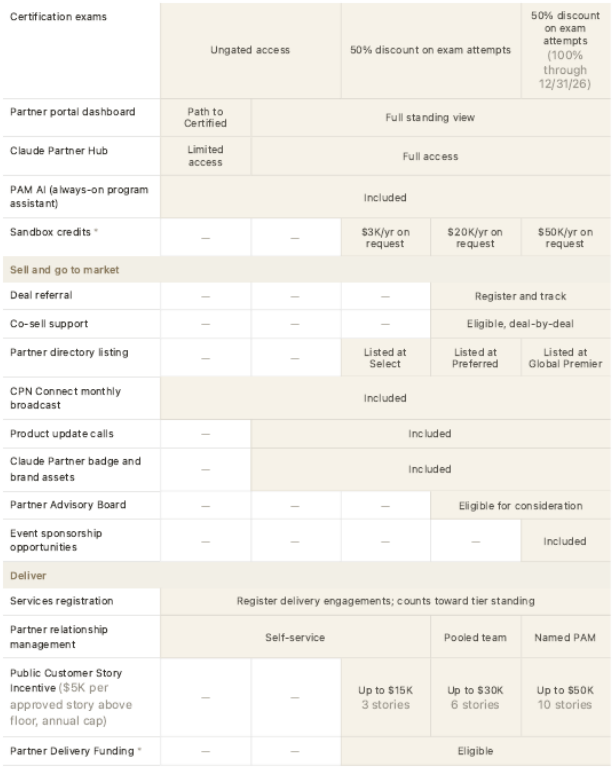

How to get there: certify more of your team, register every delivery engagement in the Claude Partner Hub as soon as scope is agreed, and publish and nominate your customer stories.

Questions? Start with PAM AI in the Claude Partner Hub. For further help, reach out to partner-support@anthropic.com. Full details for every tier are in the Program Guide, in the Content section of the Claude Partner Hub.

Claude Partner Network · Certified tier — October 2026

Certified Tier 1-pager – our tier at a glance, what counts, what unlocks, how to announce.

4. What we get now and what comes at Select

Certification exams	Ungated access		50% discount on exam attempts		50% discount on exam attempts (100% through 12/31/26)

Program Guide p.8 – benefits by tier. Benefits stack: every tier includes everything below it.

Benefit	Certified	Select
Partner badge and brand assets	Yes	Yes
Services Registration (counts toward tier)	Yes	Yes
Sandbox credits (non-production Claude Enterprise, 100 seats)	No	$3K per year, on request
Partner directory listing	No	Yes
Customer Story Incentive	No	$5K per approved story above floor; up to 3 stories per year
Partner Delivery Funding	No	Eligible (separate terms; needs executed agreements and an SOW)
Exam discount	Open access to exams – check price at checkout (our booking was free; Program Guide shows 100% through 31 Dec 2026)	50% (grid)

5. Path to Select – a 90-day plan

From “Your first 90 days” (Partner Success Hub, Topic 02). The three numbers to reach: **10 certified, 2 deployments registered, 1 customer story**.

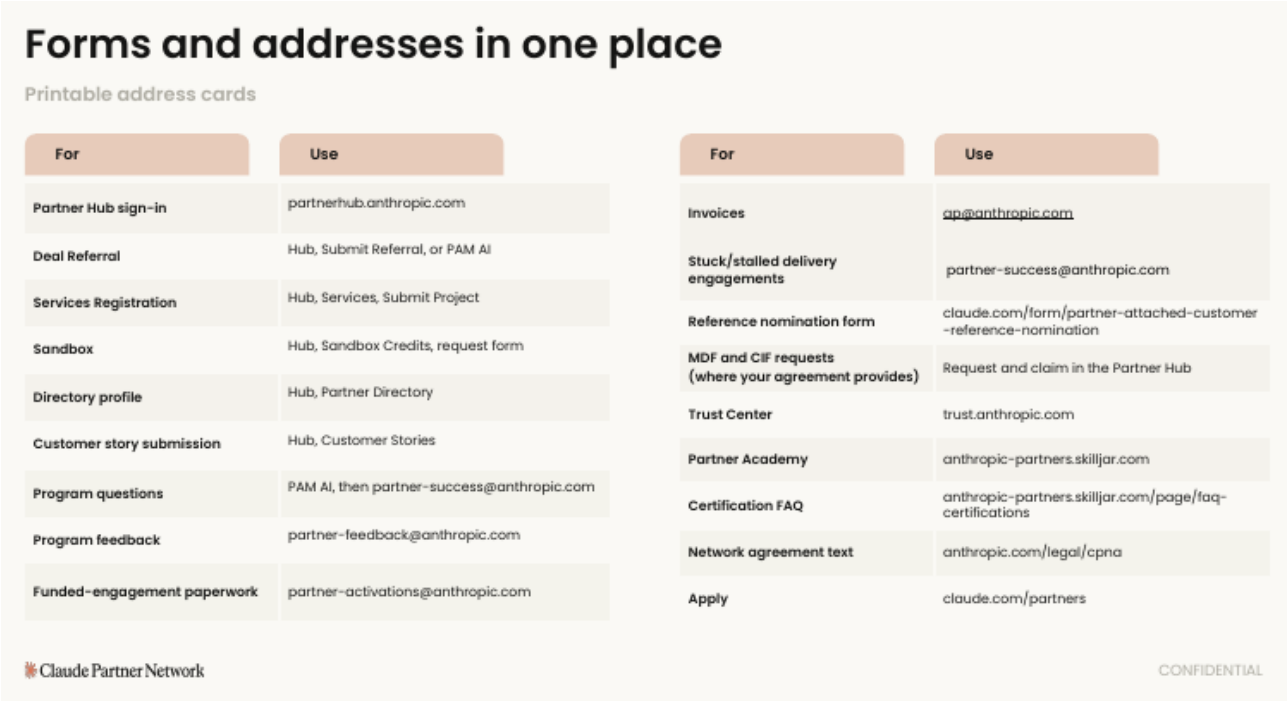

Weeks	Do
1–2	Choose the “anchor” unit; **name the ten people** who will certify; open the customer-story conversation with one client; run Claude on our own teams first (“Customer Zero”).
3–8	People certify (Academy courses, then exams); accept the agreement; sign vendor / customer paperwork.
9–12	Register live engagements; submit the first story; check the Hub scoreboard.

Your first 90 days, p.9 – the path to Select gate (10 certified, 2 deployments registered, 1 customer story).

6. Who to contact

For	Go to
Any question	**PAM AI** inside the Partner Hub (partnerhub.anthropic.com) – always on
Program, tier or registration help	Partner Operations – partner-support@anthropic.com (older decks show partner-success@anthropic.com)
Program feedback	partner-feedback@anthropic.com
Exam and certification issues	certifications-support@anthropic.com
Funded-engagement paperwork / invoices	partner-activations@anthropic.com / ap@anthropic.com (only if we ever run an Anthropic-funded engagement)
Tier or attribution dispute	Head of Partner Programs (via the escalation table)
Trust and security documents	trust.anthropic.com

Claude Partner Network

CONFIDENTIAL

Contacts and intake deck, p.6 – forms and addresses in one place. Print and pin.

7. Know before you rely on it

- We have **no named Anthropic partner manager** (that starts at Global Premier; Preferred gets a pooled team). Some decks assume one – our route is PAM AI, then Partner Operations.
- **Co-sell and deal referral start at Preferred.** Read the Sales guide for how to sell on our own.
- Several documents have **stale dates or conflicting figures**; see Start Here, section 6.
- A **Delivery Readiness Designation (DRD)** exists for firms with 10 or more active Developer / Architect certified people, 3 documented deployments and 1 contactable customer reference. Certified is the minimum tier named for DRD engagement (contact Partner Operations). Plan for it after Select.

8. Portal documents for the Owner / Admin

Document (portal name)	Read for	Priority
CPN Program Guide (listed 5 times)	The rulebook: tiers, benefits, registration, funding, escalation – sections 2, 3, 4.3	**Must read**
CPN Program Guide – Services FAQ	28 short Q&As; fastest reference	**Must read**
Certified Tier 1-pager	Our tier, announcement rules	**Must read**
Partner Announcement Kit – Certified	Social wording and rules	Read
02 Your first 90 days	The working plan to Select	**Must read**
01 How the partnership works	Hub overview, what counts toward tier	Read
04 Contacts and intake	Who to contact and escalate to	Pin it
Services Registration Guidebook	How credit is earned	Read (delivery lead owns)
Customer Story Guidebook / Customer Stories – Two Paths	Story rules and form	Read (marketing owns)

Document (portal name)	Read for	Priority
03 Paperwork and commercial instruments	Contracts and exhibits – only for funded work	Later (Select+)
CPN Services Track Launch Guidance	Launch posts for Select and above	Later – no Certified line
CPN Partner Sandbox Guide / Directory profile / Referrals from the Directory	Select-tier benefits	Later
