How to Book Your Claude Certification Exam for Free

Step-by-step guide

Before you start
• Open this link: https://anthropic-partners.skilljar.com/
• Sign in with your **company (work) account** – the account provided by your organization, not a personal account. The free price only appears for the organization's partner account.
• There are **4 exams** to choose from. All are free through the partner discount, and each exam can be taken **once**.

The 4 exams

EXAM	LEVEL	COUNTS TOWARD TIER?
Claude Certified Associate	Foundations	No
Claude Certified Developer	Foundations	Yes
Claude Certified Architect	Foundations	Yes
Claude Certified Architect	Professional	Yes

Which exam should I take?
Only the **Developer** and **Architect** exams count toward the firm's partner tier. The **Associate** exam does **not** count. The firm needs 10 certified people (Developer or Architect) to reach the next tier – ask your Training lead which exam to book.
Book before 31 December 2026. The free price is a 100% partner discount that the Program Guide shows through that date.

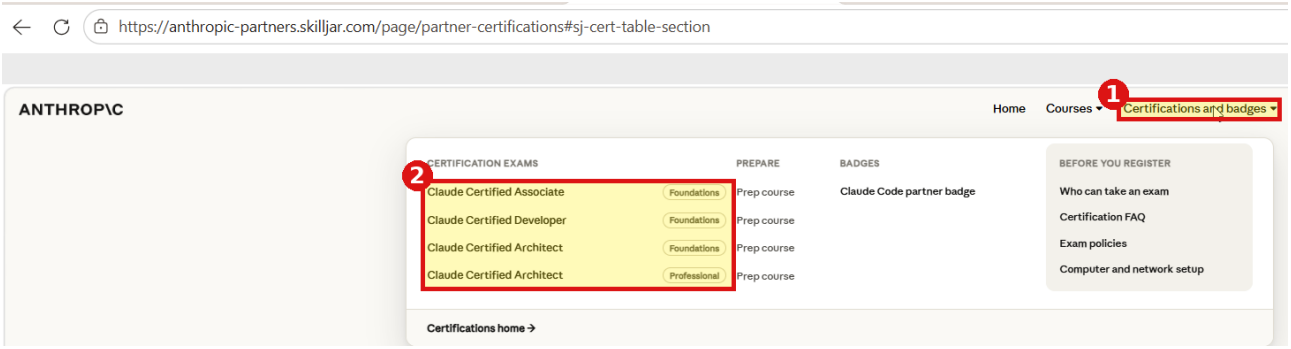

How to read the screenshots: a red box with a yellow highlight and a red number shows exactly where to click or what to check. Follow the numbers in order.

Step 1 – Sign in

Go to https://anthropic-partners.skilljar.com/ and sign in with your **company (work) account**. If you are signed in with another account, sign out first and sign in again with the correct one.

Step 2 – Choose your exam

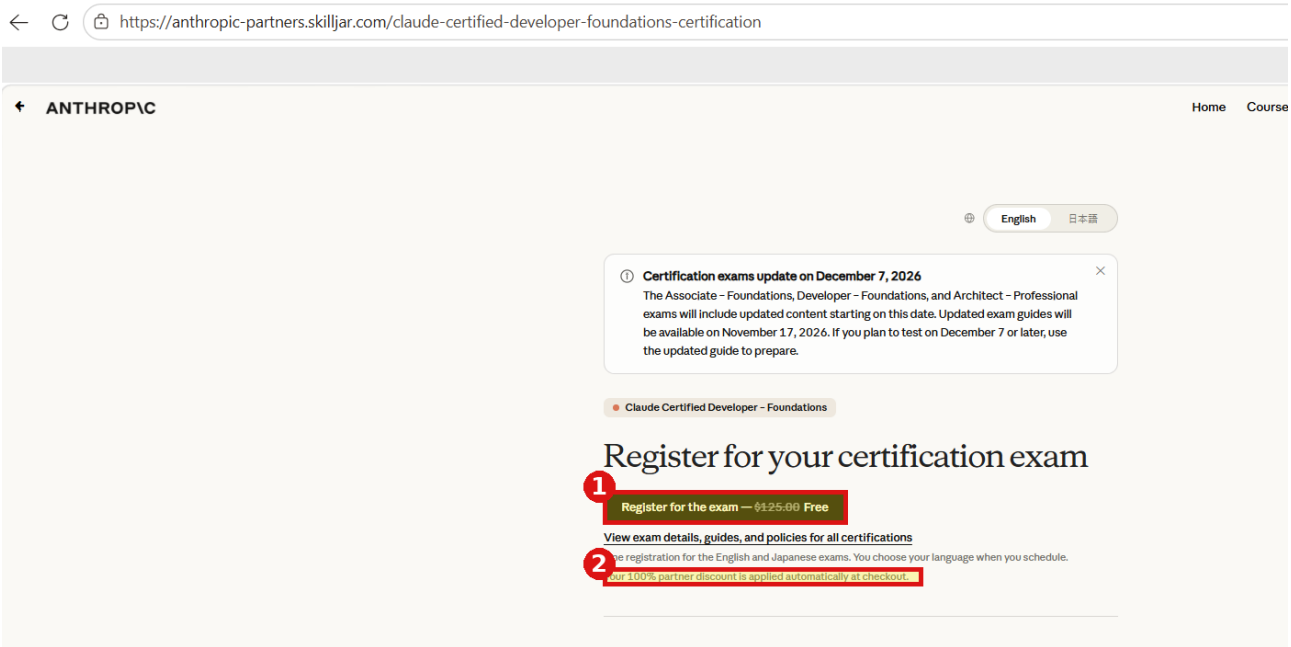

1. Click **Certifications and badges** in the top menu.
2. Under **Certification exams**, click the exam you want (one of the four highlighted).

Tip: use the Prep course links in the same menu to study first – the courses are free.

Step 3 – Click “Register for the exam”

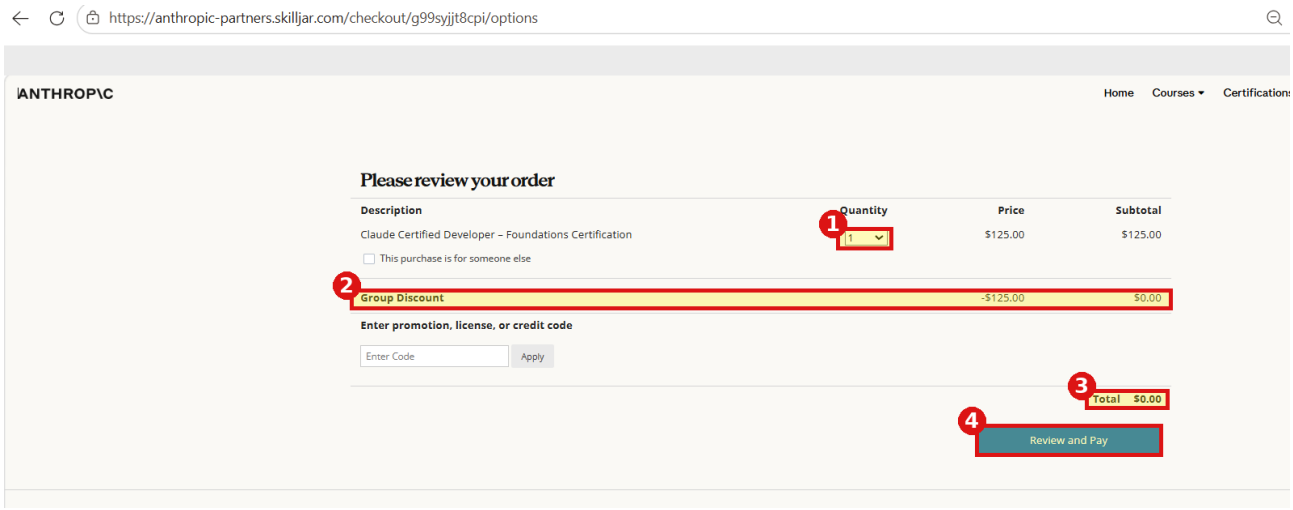

1. Click the black **Register for the exam — Free** button. The price is crossed out and shows **Free**.
2. Confirm the line “Your 100% partner discount is applied automatically at checkout.” If you do not see it, you are probably signed in with the wrong account – go back to Step 1.

(Example shown: Developer – Foundations. All four exams follow the same steps.)

Step 4 – Review your order

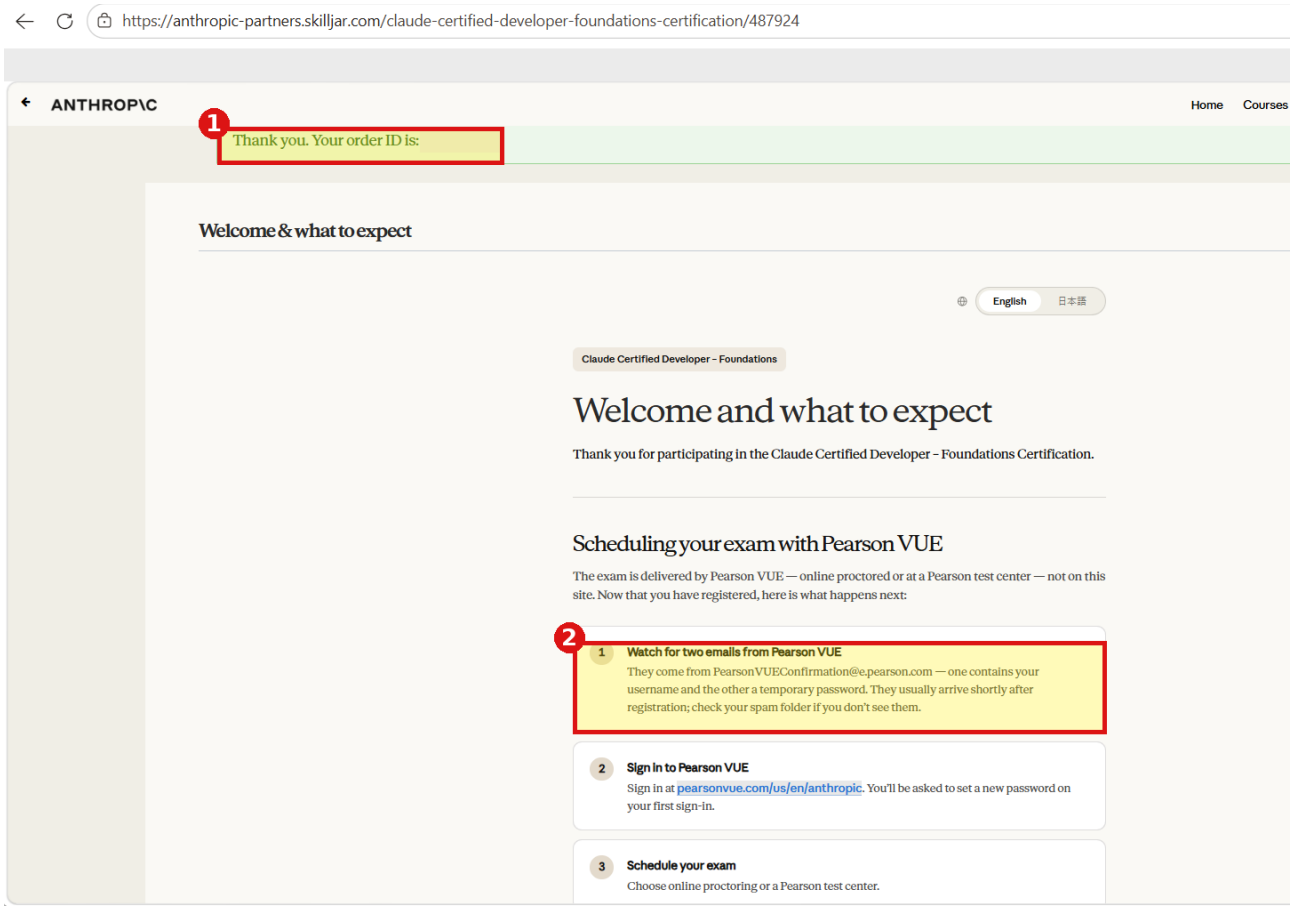

1. Leave the **Quantity** at **1**.
2. Check the **Group Discount** line equals the full price (for example −$125.00).
3. Check the **Total is $0.00**.
4. Click **Review and Pay**.

Do not enter any promotion or credit code – nothing is needed. The discount is applied automatically. If the total is **not** $0.00, stop and contact your administrator before paying.

Step 5 – Confirmation

You will see “Thank you. Your order ID is …”. Save your order ID. Your registration is now complete.

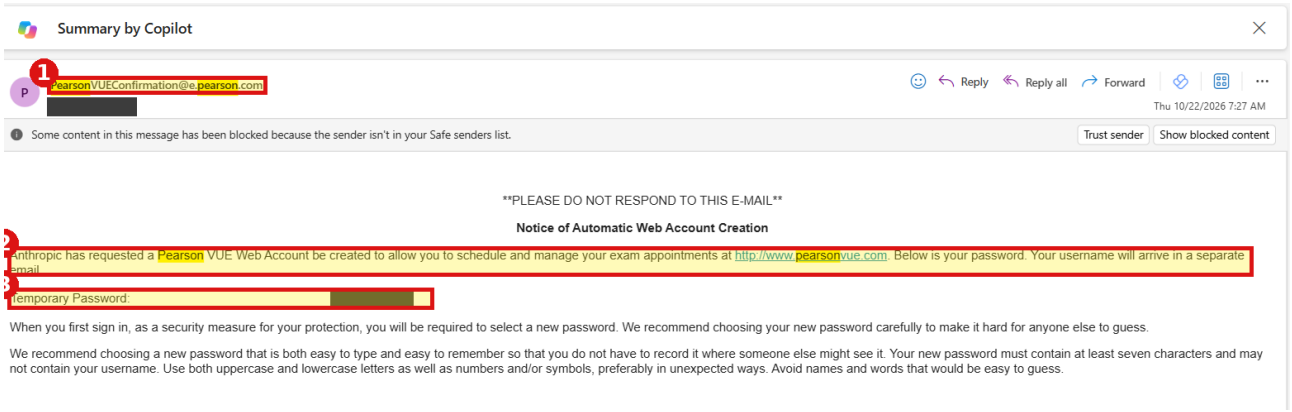

Step 6 – Check your email: two messages from Pearson VUE

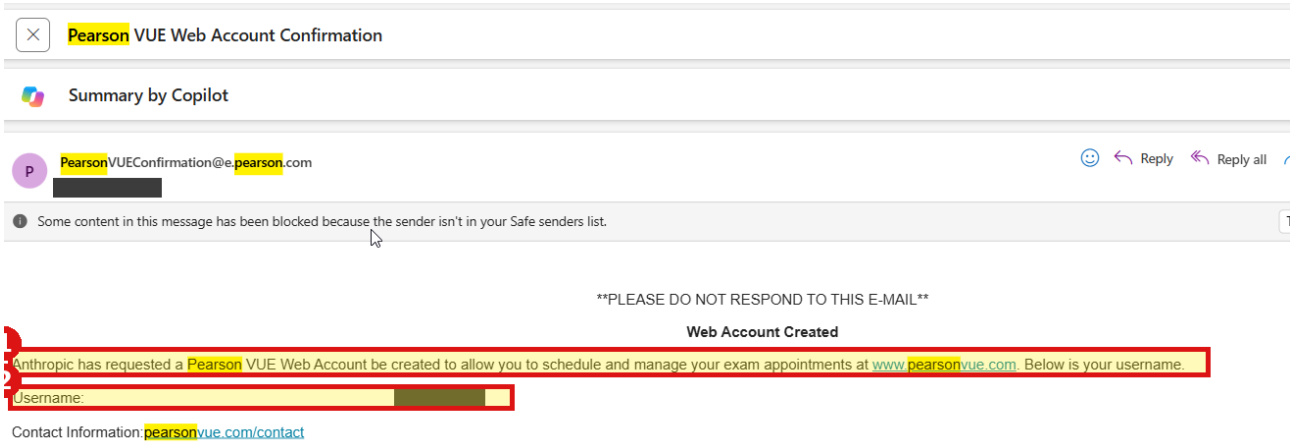

Shortly after registering you will receive **two separate emails** from **PearsonVUEConfirmation@e.pearson.com** (check your spam folder if they do not arrive):

Email 1 – Temporary Password. Subject: “Pearson VUE Web Account Confirmation”. It contains your temporary password.

Email 2 – Username. Subject: “Pearson VUE Web Account Confirmation”. It contains your username.

Email 1 – the temporary password (details hidden in this example).

Email 2 – the username (details hidden in this example).

Step 7 – Sign in to Pearson VUE and schedule your exam

The exam is delivered by **Pearson VUE** (not on the Skilljar site).
1. Go to **pearsonvue.com/us/en/anthropic** and sign in with the **username** (Email 2) and the **temporary password** (Email 1).
2. You will be asked to choose a new password. It must be at least 7 characters, must not contain your username, and should mix upper and lower case letters with numbers or symbols.
3. Choose **Schedule your exam**.
4. Select **online proctored** or a **Pearson test center**, then pick your date and time.

Exam requirements (Pearson VUE)

Identification
• Carry a valid **government-issued photo ID**.
• The name on your registration must match the ID **exactly**.

Testing environment (online proctored)
• Sit in a **quiet, private space** with no interruptions.
• The room and desk must be **clean and clear** of papers, books and unrelated items.
• Use **one screen only** – no second monitor.
• Complete the computer and network check beforehand (see “Computer and network setup” in the Certifications menu).

Good to know

• Each exam can be taken **once**.
• Reschedule at least **24 hours** before your slot.
• Exam content updates on **7 December 2026**. If you test on or after that date, use the updated exam guide (available 17 November 2026).
• Help: certifications-support@anthropic.com (include your order ID).
